LIST OF AGRICULTURAL OUTLOOK CHARTS

For 1930

The charts on the attached list have been prepared with large lettering suitable for use as 30 by 40 inch wall charts. This list does not include all of the charts shown in the Outlook Chart books, but only those that are most suitable for use in meetings. These charts are made on heavy paper for 75 cents each and mounted on cloth for \$1.25 each. Orders for charts on paper will be filled as received but mounting on cloth requires more time.

ORDERS should be sent to the Bureau of Agricultural Economics, Washington, D. C. accompanied by check or money order payable to the Disbursing Officer, U. S. Department of Agriculture.

The Outlook Chart books have been prepared to learn if they will prove of value to extension workers. Copies will be sent to all extension workers as rapidly as they are completed but quantities cannot be supplied for general distribution this year.
